RE: Divisional Patent Application Relating to Prior Application 10/017,889
Filed in the Name of Inventors William W. Holmes IV and Daniel A. Copeland
Owner by Assignment: United States Pipe and Foundry Company

Dear Sirs:

Please find enclosed herewith a divisional application for Locking Device and Method for Securing Telescoped Pipe, claiming the benefit of and incorporating by reference prior application No. 10/017,889 filed December 12, 2001 by the same inventors.

This application is filed in the name of the inventors **William W. Holmes IV and Daniel A. Copeland**, and the owner by assignment is United States Pipe And Foundry. The assignment filed in the prior application is effective as to divisionals, and is recorded in the parent application at Reel 12047, Frame 0044, a copy of which is submitted for recordal in this application as well. The attorney of record, being the undersigned, in the parent application remains the attorney of record in this Divisional application.

A copy of (1) the declaration, (2) assignment, and (3) the power of attorney, each from the parent application, are enclosed together with the specification and drawings. We request that each be entered in the present record, given that the inventors are the same in the parent and divisional. The parent application is hereby incorporated by reference. Applicants' claims in this divisional are revised since the last action in parent application, which is now scheduled for issue. The Divisional's claims include limitations supported by the parent but not claimed therein.

Applicant advises the examiner that it may consider the art previously cited in information disclosures and examiner citations to be pertinent to the present application. Applicant encloses herewith a fee of \$810.00, for the filing fee for \$770.00, a large entity and \$40 for the assignment recordal. Do not hesitate to contact the undersigned with any questions or concerns.

Yours very truly,

Nathan W. Johnson, Reg. No. 44,173
